Mr. Bernard J. Hobach  
Reliability Engineer  
10 Webb Drive  
Washington, PA 15301

Dear Mr. Hobach:

We have the pleasure to advise you that you have the distinction of being the only individual to be certified by ASQC in all four programs: Certified Quality Engineer, Certified Reliability Engineer, Certified Quality Technician, and Certified Mechanical Inspector.

We are confident that Union Switch and Signal Division is very proud to have an employee who so actively demonstrates his professional achievements.

Sincerely,

*Karen K. Grishaber*
